FEDERAL EMERGENCY MANAGEMENT AGENCY

44 CFR Part 206

RIN 3067–AC67

Disaster Assistance; Public Assistance Program Appeals; Hazard Mitigation Grant Program Appeals

AGENCY: Federal Emergency Management Agency (FEMA).

ACTION: Proposed rule.

SUMMARY: This proposed rule would change the procedure for the review and disposition of appeals related to Public Assistance grants and the Hazard Mitigation Grant Program (HMGP). The rule would reduce from three to one the number of appeals allowed, would reduce delays in final resolution of appeals, and would make new provisions for reimbursing administrative costs for preparing and processing appeals.

DATES: We invite your comments on this proposed rule, which may be submitted on or before January 23, 1998.

ADDRESSES: Please send any comments to the Rules Docket Clerk, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., room 840, Washington, DC 20472, (facsimile) (202) 646–4536.

FOR FURTHER INFORMATION CONTACT: Regarding HMGP appeals, Robert F. Shea, Mitigation Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646–3619, (facsimile) (202) 646–3104; regarding Public Assistance appeals, Melissa M. Howard, Response and Recovery Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646–3053, facsimile (202) 646–3304.

SUPPLEMENTARY INFORMATION: Under section 423 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C. 5189a, any decision regarding eligibility or amount of assistance may be appealed. Currently FEMA allows three appeal levels, respectively, to the Regional Director, the Associate Director, and to the Director.

This proposed rule would reduce from three to one the number of appeals allowed to be taken by an applicant. The authority for appeal decisions will rest with the Regional Director, who will consult with FEMA Headquarters on all potential appeal denials when the amount in question is \$1,000,000 or more in Federal funds.

This proposed change would support FEMA policy that the Regional Director is responsible for final decisions on all Public Assistance and HMGP funding. The Regional Director's appeal determination would be the Agency's final position on the matter.

The intent of this change is to reduce the significant amount of time and associated costs incurred by FEMA, grantees, and subgrantees to resolve appeal issues. Given the timeframes allowed, the current process can take up
